COLLECTION

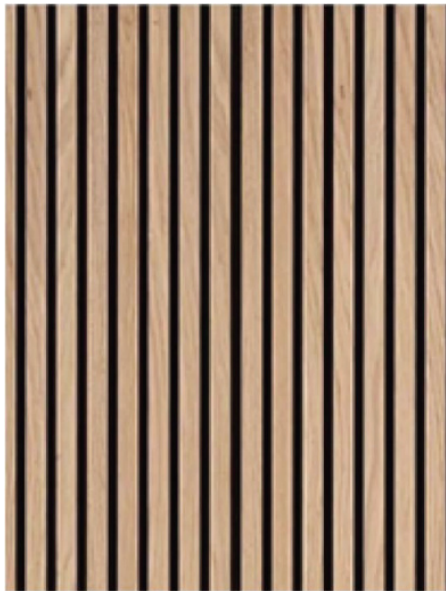

01 / PRODUCT SERIES

Rhythm. Texture. Detail.

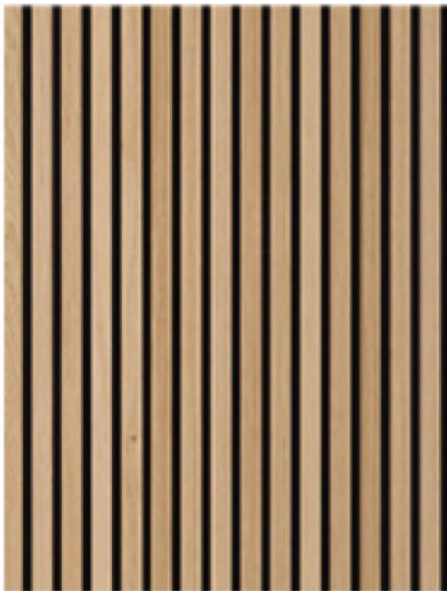

Three slat-and-gap options create distinct visual rhythms. Select the profile with your finish and overall wall layout.

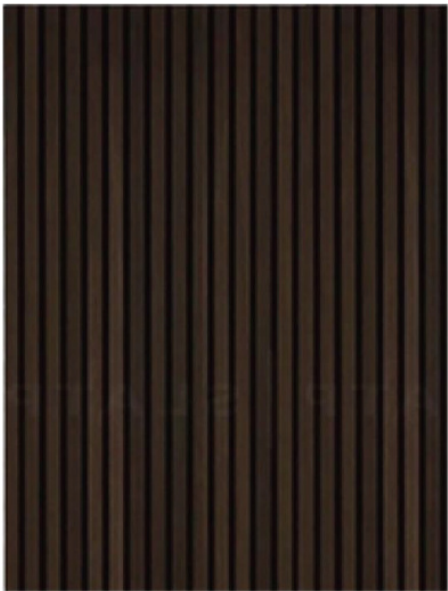

SLAT WIDTH / GAP

01
27 / 13 mm

02
35 / 15 mm

03
17 / 13 mm

Profile names follow the supplied slat-width / gap dimensions. Confirm panel size and orientation with your project quote.

02 / CONSTRUCTION

Material & dimensions

Wood-look slats over an MDF core with polyester-fiber backing. Finish and panel dimensions vary by selected model.

01 Surface finish

Wood veneer, PVC film or HPL.

02 Core

MDF board.

03 Backing

Polyester fiber.

05 / HANDLING & INSTALLATION

From delivery to detail.

Review the supplied packaging and installation illustrations. Select adhesive or mechanical fixing to suit the substrate and chosen assembly.

Protective film

Corner protectors

Reinforced carton

INSTALLATION SEQUENCE

Measure the size of the installation location.

1.

Measure the size of the acoustic slat panel.

2.

Figure 1
Gluing straight onto the wall.

3.1

Figure 2
Screwing directly into the wall.

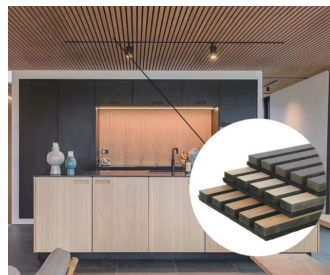

3.2

Finish and enjoy it

06 / APPLICATIONS

A continuous design language.

Explore slatted surfaces on feature walls, ceilings and decorative accents. Manufacturer-supplied application examples.

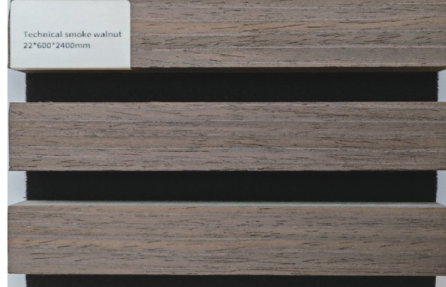

Coordinate slat direction, joints and edge details across the full elevation. Confirm suitability for the planned location and installation.

07 / FINISH PALETTE

Eight ways to warm a room.

Popular finishes from the supplied collection. Review a physical sample before final selection; printed and screen colors can vary.

**White oak****Black oak****Walnut****Walnut JK****Smoke walnut****Light oak****Rosewood****Dark walnut****FIND YOUR FINISH**

Compare samples in the actual room lighting before choosing the final finish.

08 / VENEER & DECORATIVE FILM

Choose the surface character.

Natural veneer and PVC-film options shown in the manufacturer palette.

NATURAL WOOD VENEER

White oak

Light smoke oak

Grey oak

Walnut

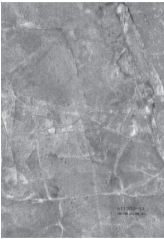

Dark smoke oak

Black oak

PVC FILM COLORS

Confirm the exact finish code and physical sample with the project quotation.

09 / PROJECT SUPPORT

Start with the right details.

Share your wall dimensions, preferred finish, photos and quantity so the panel layout and matching accessories can be reviewed.
